First Session
Monday, July 15, 2013

1. Minutes of June 17, 2013 Meeting. The Board reviewed the minutes of its meeting held June 17, 2013. On the motion of Dr. Dawson duly seconded by Dr. Amusa and passed by unanimous voice vote, the Board approved the minutes of the meetings with all necessary corrections.

2. General Administrative Matters; Financial Reports.

Financial Statement - The Board reviewed a statement on the revenue and expenses for the period ending April 30, 2013 and approved all expenditures as noted therein. The Board also reviewed the status of investments as of April 30, 2013. The Board also reviewed a balance sheet and income statement for Clinical Laboratory Personnel for the period ending April 30, 2013 and approved all expenditures as noted therein. The Board also reviewed the status of investments for Clinical Laboratory Personnel as of April 30, 2013.

Credit Card Fees – The Board discussed credit card fees currently charged to the Board for each payment by credit card and the feasibility of passing the fee onto its licensees. Following review and discussion, it was the consensus of the Board not to pursue the collection of credit card fees at this time.

3. Status Report on Action Items of Prior Board Meetings; Report on Assignments to Counsel. The Board noted the action items as assigned to staff and counsel from previous meetings. The Board noted that a response had not been received from the Louisiana Physical Therapy Board (“Physical Therapy Board”) on the Board’s request for a rulemaking effort to amend their rules with respect to the procurement of legend drugs and “dry needling”. It was the consensus of the Board to file a separate complaint with the Physical Therapy Board with respect to the utilization of legend drugs by a physical therapist.

4. Communication and Information; National Board of Osteopathic Medical Examiners, Inc., (“NBOME”) The Board reviewed an invitation from the NBOME to attend a Visitation Day at the NBOME National Center for Clinical Skills Testing, in Philadelphia, Pennsylvania on Monday, October 14, 2013. No further action was required or taken on this matter.

5. Communication and Information; The Center for Personalized Education for Physicians (“CPEP”). The Board reviewed correspondence inviting members of the Board to the CPEP Learning Summit to be held in Denver, Colorado on November 7 & 8, 2013. No further action was required or taken on this matter.

6. General Administrative Matters; Executive Director's Report. The Board received the report of its Executive Director on her activities since the last meeting of the Board. Dr. Mouton reported on facility management, information technology, the meeting with the Board of Nursing to discuss various issues, concerns with the BON's proposed rules relative to APRNs and the Board's current telemedicine rules. Following review and discussion, the Board asked for more information on the telemedicine rules for further review and consideration.

7. Rules and Regulations.

- a. Final Rules/Amendments: - None published since the last meeting of the Board.
- b. Rules/Amendments – Noticed for Intent: None published since the last meeting of the Board.
- c. Rules/Amendments Under Development: **Perfusionist**: The Perfusion Advisory Committee prepared an initial draft of rules for this category of allied health care professionals. A revised draft was received and is being studied. As soon as it has been refined, it will be presented to the Board for consideration. **Polysomnography** - The Board received a proposed draft of new rules for polysomnographers from its Advisory Committee on Polysomnography. Following modification, a revised draft was presented to the Advisory Committee for review and comment. The draft was approved, with suggested modifications, during the Committee's meeting on September 16, 2011. During its October 2011 meeting, the proposed rules were presented to the Board along with the Committee's suggestions for initial review and discussion. Following discussion, the Board proposed certain modifications to the draft and asked that a revised draft be presented at its next meeting. The Board subsequently received from two national organizations nearly the identical suggestions as those of the Committee's. Following review and discussion at its December 2011 meeting, the Board approved a response to the committee and organizations, along with a revised draft of the rules that incorporated the suggestions of its staff as well as the committee and organizations to the extent the Board found them acceptable and voted to provide *Notice of Intent* to adopt the rule amendments. Following changes to the law during the 2012 session of the Legislature and the input of the Polysomnography Advisory Committee, the Board reviewed a revised draft of rules for consideration during its April and May 2013 meetings. During the June 2013, the Board noted that the Respiratory Therapy Advisory Committee had no objection to the draft rules in that an exemption had been carved out for licensed respiratory therapists. The Board reviewed the current draft of the proposed rules and on the motion of Dr. Amusa, duly seconded by Dr. Montgomery, and passed by unanimous voice vote, voted to provide *Notice of Intent* to adopt the proposed rules in the *Louisiana Register*. **Physicians and Surgeons – Office-Based Surgery**: The Board considered suggestions for amendment to its office-based surgery rules. A revised draft incorporating the suggested changes was considered by the Board, and following review, discussion and further suggestions, the Board voted to provide *Notice of Intent* to adopt the proposed rules in the *Louisiana Register*. **Midwifery**: Given changes to the Louisiana Midwifery Practice Act during the 2012 session of the Legislature, staff anticipates presenting revisions to its existing rules in due course for the Board's

consideration and discussion. **Physicians and Surgeons- Collaborative Drug Therapy Management (“CDTM”)**: During the August 2012 meeting, the Board discussed the concept of certain potential amendments to the existing rules which were jointly promulgated with the Board of Pharmacy in 2007. Following review and discussion, the Board expressed a willingness to consider a draft of the proposed amendments in due course. Following discussions with a representative from the Board of Pharmacy, a draft detailing proposed amendments to the CDTM rules was submitted to the Board for consideration at its April 2013 meeting. During its May 2013 meeting further review and discussion took place and it was the consensus of the Board to seek input from the Louisiana State Medical Society (“LSMS”). During the June 2013 meeting, the Board reviewed the comments offered by the LSMS on the proposed rules. Following review and discussion of the proposed rules, on the motion of Dr. Dawson, duly seconded and passed by unanimous voice vote, the Board voted to provide *Notice of Intent* to adopt the rule amendments in the *Louisiana Register*. **Physicians and Surgeons – Licensure:** The Board expressed a desire to consider alternatives to the requirement for passage of the SPEX/CONVEX-USA for those who had taken and passed a written medical competence examination more than 10 years prior to the date of application. A draft was considered by the Board at its December 2012 meeting. Following review and discussion of various options at its January and February 2013 meetings, the Board made additional recommendations. Following review and discussion of a revised draft incorporating the suggested changes at the March 2013 meeting, the Board voted to provide *Notice of Intent* to adopt the proposed amendments in the *Louisiana Register*. **Physicians and Surgeons – Out of State Physician Orders:** Pursuant to Act 44 of the 2011 session of the Louisiana Legislature, rules are being developed to accommodate out-of-state physicians (those licensed in any state other than Louisiana) who order routine diagnostic testing for established patients in this state provided: the physician-patient relationship was initiated through an in-person, face-to-face visit with the physician in another state; the order can be verified; and the results of all testing are provided directly to the ordering out-of-state physician. The Board considered and discussed an initial draft of the proposed rules at its December 2012 meeting. Following review, several modifications were made and incorporated in a subsequent draft reviewed by the Board at its January 2013 meeting. Following review and discussion at the March 2013 meeting, the Board voted to provide *Notice of Intent* to adopt the rule amendments in the *Louisiana Register*. It is anticipated that the *Notice of Intent* will appear in the August 2013 edition of the *Louisiana Register*. **Occupational Therapy:** The Board received a request to consider alternatives to the limit on the number of examination attempts currently permitted by its rules for licensure as an occupational therapist. Following discussion, the Board requested that a draft be prepared for its review. A draft was presented for initial Board consideration at the December 2012 meeting. The Board further considered the issue at its January and February 2013 meetings and requested a revised draft be returned to the March 2013 meeting. Following further review and discussion at the March 2013 meeting, the Board voted to provide *Notice of Intent* to adopt the amendments. It is anticipated that the *Notice of Intent* will appear in the August 2013 edition of the *Louisiana Register*. **Physicians and Surgeons – Dispensing:** During its February 2013

meeting, the Board gave further consideration to a request to provide for a dispensing registration for non-controlled substances following a physician's successful completion of a graduate medical education training program and passage of an online or other Board offered course on its dispensing rules. Following review and discussion of a draft amendment to Section .6513 of its dispensing rules at its March 2013 meeting, the Board voted to provide *Notice of Intent* to adopt the rule amendment. It is anticipated that the *Notice of Intent* will appear in the August edition of the *Louisiana Register*. **Physicians and Surgeons – Unprofessional Conduct:** During its April 2013 meeting, the Board expressed a desire to consider the development of rules correlating a physician representing himself/herself as a specialist in a particular field of practice without appropriate formal training. Pursuant to the Board's directions, a draft of such rules is being prepared for the Board's consideration.

8. General Administrative Matters; Proposed Rule Amendment to the Advanced Practice Registered Nurses (“APRN”) by the Louisiana State Board of Nursing. The Board noted that a response to the request for substantive changes to the proposed APRN rules amendment, as well as the copy of Legislative Oversight Report had not been received. Following review and discussion it was the consensus of the Board to send a letter to the Legislative Oversight Committee calling for a legislative oversight hearing in the event the BON did not address the concerns submitted at the public hearing on the proposed rules relative to APRNs.

[9.] Minutes of July 15, 2013 Executive Sessions. On the motion of Dr. Amusa, duly seconded by Dr. Montgomery and passed by unanimous voice vote, the Board convened in executive session to review the minutes of its executive sessions conducted during the meeting of June 17, 2013.
