(La. Rev. Stat. § 49:968(D))

1

This Report is respectfully submitted by the Louisiana State Board of Medical Examiners (the "Board"), within the Department of Health and Hospitals, pursuant to La. Rev. Stat. §49:968(D).

By Notice of Intent published in the April 20, 2017, edition of the *Louisiana Register*, Vol. 43, No. 4, pp. 772-780, the Board proposed to amend its administrative rules governing the practice of acupuncture in this state, LAC Title 46:XLV, Subpart 1 (General), Chapter 1, Subpart 2 (Licensure and Certification), Chapter 21, and Subpart 3 (Practice), Chapter 51. The proposed amendments accommodate changes to the law brought about by Act 550 of the 2016 Regular Session of the Louisiana Legislature, which amended the Louisiana Acupuncture Practice Act, La. Rev. Stat. §37:1356 *et seq.*, and update the rules generally as made necessary by the passage of time and current practices. Among other items, the proposed amendments: delete, revise and add various definitions; convert and change the former title of licensees from a "acupuncturist's assistant" to a "licensed acupuncturist" and a "acupuncturist" to a "physician acupuncturist" wherever the terms appear in the rules; update the educational requirements for licensure eligibility for consistency with the law; delete the requirements for physician supervision of a licensed acupuncturist and define and provide instead for a relationship with a physician who operates a physical practice location in Louisiana to provide for referrals and follow-up care which may be necessary; clarify that the date for annual certificate/license renewal is the last day of the year in which it was issued; delete and replace outdated procedures for emergency temporary permits with those applicable to all individuals regulated by the Board; and establish an acupuncture advisory committee to the Board. The amendments also update and stream line existing provisions relative to clinical practice guidelines or protocols and the authority, limitations, obligations and responsibilities of licensees; and repeal provisions that are no longer applicable. Similar to other categories of professionals regulated by the Board, the changes include a late fee (\$50) for the failure to timely renew certification as a physician acupuncturist or licensure as a licensed acupuncturist.

(La. Rev. Stat. § 49:968(D))

2

Concurrently with submission of the Notice of Intent to the *Register*, in accordance with La. Rev. Stat. §40:968, the Board submitted a Report on the proposed changes to the Senate and House Committees on Health and Welfare, the President of the Senate and the Speaker of the House of Representatives.<sup>1</sup> Following publication of Notice of Intent the Board did not receive a request for public hearing nor did it receive any written comments on the proposed amendments from a single organization or individual during the comment period provided by La. Rev. Stat. §49:953.

This Report, submitted by the Board pursuant to and as prescribed by La. Rev. Stat. §49:968(D), includes as Appendix A, a photocopy of the Notice of Intent containing the full text of the proposed amendments that were previously published and appeared in the April 20, 2017, edition of the *Louisiana Register*, which the Board has adopted and intends to formally promulgate, in the identical form as was previously published, by and upon publication in the July 20, 2017, edition of the *Louisiana Register*.

### Small Business Analysis

The impact of the proposed Rule on small business has been considered and it is estimated that the proposed action is not expected to have a significant adverse impact on small businesses as defined in the Regulatory Flexibility Act.

### Provider Impact Statement

The proposed Rules does not impact or affect a provider. "Provider" means an organization that provides services for individuals with developmental disabilities as defined in HCR 170 of the 2014 Regular Session of the Legislature. In particular, the proposed Rule has no effect or impact on a provider in regard to:

1. the staffing level requirements or qualifications required to provide the same level of service;
2. the cost to the provider to provide the same level of service;
3. the ability of the provider to provide the same level of service.

### Public Comments

Interested persons may submit written comments to Kim W. Michel, Executive Director, Louisiana State Board of Embalmers and Funeral Directors, 3500 N. Causeway Blvd., Suite 1232, Metairie, LA 70002. Written comments must be submitted to and received by the board within 30 days of this notice. A request pursuant to R.S. 49:953 (A)(2) for oral presentation, argument, or public hearing must be made in writing and received by the board within 20 days of the date of this notice.

### FISCAL AND ECONOMIC IMPACT STATEMENT FOR ADMINISTRATIVE RULES

#### RULE TITLE: License, Internship, Inspection, Fees

#### I. ESTIMATED IMPLEMENTATION COSTS (SAVINGS) TO STATE OR LOCAL GOVERNMENT UNITS (Summary)

Other than the publication fee associated with the proposed rule changes, which are estimated to cost the Board of Embalmers and Funeral Directors \$800 in FY17, it is not anticipated that state or local governmental units will incur any other costs or savings as a result of promulgation of the proposed rule. The proposed rule change makes the terminology in the rules consistent with the terminology in Act 264 of the 214 Regular Session of the Louisiana Legislature. The current rule references a "combination" embalmer and funeral director license, whereas Act 264 references an embalmer and funeral director license. Therefore, the word "combination" is being removed from the rule to make it consistent with the Act. The rule also removes the requirement that an affidavit is needed to request a duplicate license.

#### II. ESTIMATED EFFECT ON REVENUE COLLECTIONS OF STATE OR LOCAL GOVERNMENTAL UNITS (Summary)

The proposed rule change will not affect state or local governmental revenue collections.

#### III. ESTIMATED COSTS AND/OR ECONOMIC BENEFITS TO DIRECTLY AFFECTED PERSONS OR NONGOVERNMENTAL GROUPS (Summary)

This proposed rules removes the requirement that an affidavit is needed to request a duplicate license. This benefits the licensee in that he or she will no longer need to pay the cost of an affidavit to request a duplicate license.

#### IV. ESTIMATED EFFECT ON COMPETITION AND EMPLOYMENT (Summary)

The proposed rule change does not affect competition and/or employment.

## **FISCAL AND ECONOMIC IMPACT STATEMENT FOR ADMINISTRATIVE RULES**

### **RULE TITLE: Acupuncturists and Acupuncture Detoxification Specialists; General, Licensure and Certification and Practice**

#### **I. ESTIMATED IMPLEMENTATION COSTS (SAVINGS) TO STATE OR LOCAL GOVERNMENT UNITS (Summary)**

Other than the publication fee associated with the proposed rule amendments, which are estimated to cost the Louisiana State Board of Medical Examiners \$2,214 for notice and rule promulgation, it is not anticipated that state or local governmental units will incur any other costs or savings. The proposed changes amend the Louisiana State Board of Medical Examiners' rules concerning acupuncture to comply with Act 550 of the 2016 Regular Session of the Louisiana Legislature, in addition to other technical updates. Among the changes, the proposed amendments: delete, revise and add various definitions, convert the title of licensees from a "acupuncturist's assistant" to a "licensed acupuncturist" and a "acupuncturist" to a "physician acupuncturist;" update the educational requirements for licensure eligibility for consistency with the law; delete the requirements for physician supervision of a licensed acupuncturist and define and provide instead for a relationship with a physician who operates a physical practice location in Louisiana to provide for referrals and follow-up care which may be necessary; clarify that the date for annual certificate/license renewal is the last day of the year in which it was issued; delete and replace outdated procedures for emergency temporary permits with those applicable to all individuals regulated by the Board; and establish an acupuncture advisory committee to the Board. The amendments also update and streamline existing provisions relative to clinical practice guidelines or protocols and the authority, limitations, obligations and responsibilities of licensees; and repeal provisions that are no longer applicable. Similar to other categories of professionals regulated by the Board, the changes include a late fee of \$50 for failure to timely renew a certification as a physician acupuncturist or a licensure as a licensed acupuncturist.

#### **II. ESTIMATED EFFECT ON REVENUE COLLECTIONS OF STATE OR LOCAL GOVERNMENTAL UNITS (Summary)**

The proposed amendments include a delinquent fee of \$50 for failure to renew a certificate or license timely. Based on renewal history in recent years, it is estimated that 15 individuals annually could be impacted by this change, resulting in approximately \$750 (15 x \$50 = \$750) in additional annual agency revenue. Otherwise, it is not anticipated that this change will have a material impact on revenue collections of the board.

#### **III. ESTIMATED COSTS AND/OR ECONOMIC BENEFITS TO DIRECTLY AFFECTED PERSONS OR NONGOVERNMENTAL GROUPS (Summary)**

An individual who fails to renew a certificate or license timely will be assessed a delinquent fee of \$50. Otherwise, the proposed rule amendments makes technical changes which are not anticipated to result in costs and/or economic benefits to any person or non-governmental entity.

#### **IV. ESTIMATED EFFECT ON COMPETITION AND EMPLOYMENT (Summary)**

The proposed rule amendments do not affect competition and/or employment.
